UPDATE FOR HOLIDAYMAKERS

The Richmond is now closed for holidaymakers for the season and we are due to re-open in March 2021.

We will continue to provide updates in relation to how coronavirus may affect opening and holidays in 2021, however with the everchanging situation regarding Government guidelines and restrictions, we plan to update you nearer to our scheduled opening time when we have the most relevant and up to date information.

UPDATE FOR OWNERS

We are now closed for the season and are currently scheduled to re-open at the beginning of March 2021. There was talk of an 'extended season' however the council has shelved this proposition for the time being.

Skegness is currently under 'Tier 3' restrictions so unfortunately you are not permitted to visit the park at this time. If you do have any matters you need assistance with please call us and we will try our best to help you.

As we approach the new 2021 season we will update you when we have the most relevant information at our disposal.
